To the Board of Directors of Titan Company Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Titan Company Limited for the quarter ended 31 December 2020 and year to date results for the period from 1 April 2020 to 31 December 2020 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes:

- The standalone unaudited financial results of Titan Company Limited ("the Company") have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- From the quarter ended June 20, the Company has decided to report its standalone financial results in ₹ crores in lieu of ₹ lakhs reported in earlier periods. Accordingly, comparative numbers which were reported in ₹ lakhs previously have been reflected in ₹ crores in this report.
- The Company is structured into four verticals namely Watches and wearables, Jewellery, Eyewear and Others where "Others" include Accessories, Fragrances and Indian dress wear. Accordingly, the Company has presented its segment results under these business segments.
- During the period, the Company incorporated Titan Commodity Trading Limited as a wholly owned subsidiary in August 2020.
- In line with the Company's strategy to focus on primary business and proprietary brands, and as mutually agreed with Montblanc Services B.V., the Company has exercised the full put option on 8th December 2020 as per the joint venture agreement and would be divesting its stake in Montblanc India Retail Private Limited. The requisite formalities will be completed during the last quarter of the financial year 2020-21. The Company had reclassified the investments in Montblanc India Retail Private Limited as "Asset held for sale" in the balance sheet as at 30 September 2020. During the quarter ended 31 December 2020, the Company continues to classify the Investments under "Asset held for sale".
- During the period ended 31 December 2020, the Company has renegotiated with certain landlords on the rent reduction/ waiver due to COVID 19 pandemic. The Management believes that such reduction/ waiver in rent is short term in nature and also meets the other conditions specified in the notification issued by the Central Government in consultation with National Financial Reporting Authority dated 24 July 2020 as Companies (Indian Accounting Standards) Amendment Rules, 2020 with effect from 1 April 2020. Thus, in accordance with the said notification, the Company has elected to apply exemption as the reduction/ waiver does not necessitate a lease modification as envisaged in the Standard by recording in the "Other income" (net of rent expenses). Accordingly, the Company has recognised ₹ 6 crores during the quarter (₹ 55 crores for the nine months period) in the statement of profit and loss.
- During the quarter ended 30 September 2020, the Company had issued ₹ 500 crores of commercial paper with a tenure of 3 months, which were matured and redeemed in November 2020. No commercial papers were issued during the current quarter. As per the requirement of SEBI Circular dated October 22, 2019 and subsequent amendments thereof, the Company had listed its commercial papers on the National Stock Exchange (NSE) with effect from date of placement.
- During the quarter and nine months ended 31 December 2020, the Company sold gold-ingots aggregating ₹ 340 crores and ₹ 1,332 crores respectively to various customers dealing in bullion, which is disclosed as other operating revenues.
- The Company has recognized a loss of ₹ 51 crores during the quarter (₹ 740 crores for the nine months period) as a result of change in the cash flow hedging relationship due to increase in sales compared to the original sales forecast and availment of the moratorium offered on the Gold on Loan (GOL). This has led to preclosures of hedge contracts originally designated against sales in the subsequent quarters and redesignation of certain open contracts. Consequently, these hedging contracts have been accounted as ineffective hedges as required under Ind AS 109 – Financial Instruments. If the hedge contracts utilised during the period had been concluded to be effective as per the principles contained in Ind AS 109, these losses would have to be disclosed as a reduction of revenues.
- Based on its assessment of recoverability, the Company had made a provision of ₹ 34 crores in the quarter ending 30 September 2020 (which is included in other expenses) against receivables from one of the brokers with whom the Company was transacting. The Company, however, continues to monitor the developments in this matter and necessary legal action has been initiated in this regard.
- During December 2020, the Company decided to significantly scale down the operations of its wholly owned subsidiary, Favre Leuba AG (FLAG) owing to severe impact due to current covid pandemic. Consequent to this, the Company has performed an impairment testing of its investment in FLAG and has made a provision of ₹ 137 crores towards impairment in the quarter and disclosed under exceptional items.

Profit / (loss) from segments before exceptional items, finance costs and taxes are as below for the quarter and nine months ended 31 December 2020:

2 The consolidated unaudited financial results of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended.

3 From the quarter ended June 20, the Group has decided to report all the financial results in ₹ crores in lieu of in ₹ lakhs reported earlier. Accordingly, comparative numbers which were reported in ₹ lakhs previously have been reflected in ₹ crores in this report.

4 During the period, the Group incorporated Titan Commodity Trading Limited as a wholly owned subsidiary of Titan Company Limited in August 2020.

5 During the quarter and period ended 31 December 2020, the Group decided to significantly scale down the operations of its wholly owned subsidiary, Favre Leuba AG (FLAG) owing to severe impact due to current covid pandemic. Consequent to this, the Group has done an assessment of the recoverability of the assets based on a best estimate and has made a provision amounting to ₹ 32 crores towards impairment of assets held by the subsidiary - FLAG.

6 In line with the Group's strategy to focus on primary business and proprietary brands, and as mutually agreed with Montblanc Services B.V., the Group has exercised the full put option on 8th December 2020 as per the joint venture agreement and would be divesting its stake in Montblanc India Retail Private Limited. The requisite formalities will be completed during the last quarter of the financial year 2020-21. The Group had reclassified the investments in Montblanc India Retail Private Limited as "Asset held for sale" in the balance sheet as at 30 September 2020. During the quarter ended 31 December 2020, the Group continues to classify the investments under "Asset held for sale".

8 During the quarter ended 30 September 2020, the Group had ₹ 630 crores of commercial paper outstanding with a tenure of 3 to 6 months, which were matured and redeemed during the current quarter with in the due dates. Further, during the quarter, a subsidiary had issued ₹100 crores of commercial papers with a tenure ranging from 3 to 6 months. Out of the balance amount of ₹ 100 crores, ₹ 30 crores is due for maturity on 10 February 2021, ₹ 35 crores on 8 March 2021 and the balance ₹ 35 crores on 18 June 2021. As per the requirement of SEBI Circular dated October 22, 2019 and subsequent amendments thereof, the Group has listed its commercial papers on the National Stock Exchange (NSE) and BSE Ltd. with effect from date of placement.

9 The Group is structured into four verticals namely Watches and Wearables, Jewellery, Eyewear and Others where "Others" include Aerospace & Defence, Automation Solutions, Accessories, Fragrances and Indian dress wear. Accordingly, the Group has presented its segment results under these business segments in the manner consistent with the internal reporting to the chief operating decision maker (CODM).

10 During the period ended 31 December 2020, the Group has renegotiated with certain landlords on the rent reduction/ waiver due to COVID 19 pandemic. The Management believes that such reduction/ waiver in rent is short term in nature and also meets the other conditions specified in the notification issued by the Central Government in consultation with National Financial Reporting Authority dated 24 July 2020 as Companies (Indian Accounting Standards) Amendment Rules, 2020 with effect from 1 April 2020. Thus, in accordance with the said notification, the Group has elected to apply exemption as the reduction/ waiver does not necessitate a lease modification as envisaged in the Standard by recording in the "Other income" (net of rent expenses). Accordingly, the Group has recognised ₹ 6 crores during the quarter (₹ 58 crores for the nine months period) in the statement of profit and loss.

11 During the quarter and nine months ended 31 December 2020, the Group sold gold-ingots aggregating ₹ 340 crores and ₹ 1,332 crores respectively to various customers dealing in bullion, which is disclosed as other operating revenues.

12 The Group has recognized a loss of ₹ 51 crores during the quarter (₹ 741 crores for the nine months period) as a result of change in the cash flow hedging relationship due to increase in sales compared to the original sales forecast and availment of the moratorium offered on the Gold on Loan (GOL). This has led to pre-closures of hedge contracts originally designated against sales in the subsequent quarters and redesignation of certain open contracts. Consequently, these hedging contracts have been accounted as ineffective hedges as required under Ind AS 109 – Financial Instruments. If the hedge contracts utilised during the period had been concluded to be effective as per the principles contained in Ind AS 109, these losses would have to be disclosed as a reduction of revenues.
